AT-HOME SPA EXPERIENCE

TRADITIONAL THAI MASSAGE

This dry massage takes its influence from the Thai philosophy of healing. Using traditional massage techniques, breathing and stretching are also integral to the therapy, which helps increase flexibility. For your comfort, you will be asked to wear a Thai outfit during this treatment.

DEEP TISSUE

A massage that combines pressure-point and slow deep strokes to target the inner layers of the muscle. This treatment helps release stiffness in the muscle, soreness and alleviates fatigue.

FOUR HAND MASSAGE

Lose yourself in the harmonious rhythm of long, slow strokes, kneading and pressure points as two therapists work simultaneously to relieve your body of the most deep-seated tension. During this customized full-body massage, the therapists work in tandem side by side. This rhythmic massage collaboration envelops and relaxes the whole body and calms the mind.

LAVA SHELL MASAGE

AROMATHERAPY MASSAGE

A hot lava shell massage uses heated palm-sized calm shells to deliver a relaxing experience. The shells are filled with a special combination of algae, minerals and organic matter which react to produce heat. The mineral composition of the shell can also provide many benefits to your body: calcium ions help rejuvenate the skin while the other negative ions contribute to a more relaxing atmosphere.

INVIGORATING OUD MASSAGE

Discover an incredible combination of deep tissue and Swedish massage enhanced by the acupressure points technique, will release deep seated tension from the body. This specialized full-body massage together with the benefits of Oud oil will help stimulate circulation and relax muscle tension.

BALINESE MASSAGE

Performed by our Balinese therapists using techniques passed down through generations, this full-body massage combines different massage techniques of acupressure, long thumb strokes, friction, a combination of firm and gentle stroking. This unique and authentic massage offers complete relaxation for the body and mind.

AROMATHERAPY MASSAGE

The use of essential oils to aid in health and wellness has been around for centuries, dating back as far as Greek and Egyptian times. Our Aromatherapy experience features a selection of essential oils, all which support mood enhancement, physical wellbeing and emotional balance. Associated with our light pressure massage, let all your senses soothe at the same time and your body and mind fall into a deep relaxation.

SENSORY JOURNEY CANDLE MASSAGE

Awaken your senses with our remarkable massage combining warm essence of soya melted wax, essential oils and gentle massage technique, that is designed to awaken all the senses and help to feel relaxed and rejuvenated.

REFLEXOLOGY

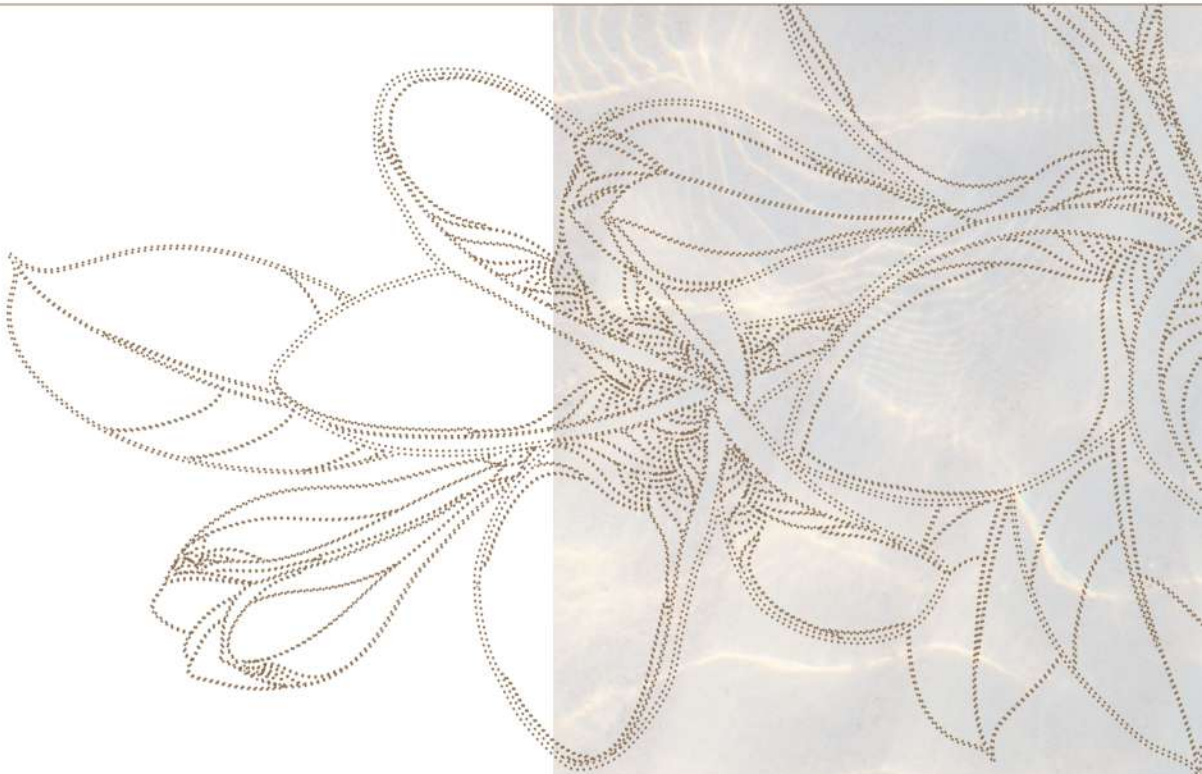

This therapy is based on Asian techniques, which enable you to experience a sense of total relaxation and healing. By applying pressure to specific meridian points of the feet which are connected to the primary organs of the body, reflexology allows blocked energy to once again flow freely, releasing accumulated tension.
